**Ohio Cancer Research** is an independent statewide, nonprofit organization dedicated to the cure and prevention of the many forms of cancer and the reduction of its debilitating effects through aggressive basic seed money research, cancer information and awareness. Ohio Cancer Research is not affiliated with any other organization.

Individual researchers have been or are being funded at Cincinnati Children's Hospital Medical Center, University of Cincinnati, University of Dayton, The Ohio State University, Nationwide Children's Hospital, University of Toledo, Bowling Green State University, Case Western Reserve University, The Cleveland Clinic, University Hospitals of Cleveland, MetroHealth Medical Center in Cleveland, Ohio University, Wright State University and the former Hipple Cancer Research Center in Dayton.

Over \$18 million has been spent on cancer awareness and seed money research projects. Of that amount, **over \$7 million in seed money** provided to researchers by Ohio Cancer Research has generated **more than \$220 million in new money** from other sources to continue basic cancer research on projects initially funded as well as translational clinical trials at institutions including The Ohio State University, University Hospitals Seidman Cancer Center, The Cleveland Clinic, and Cincinnati Children's Hospital Medical Center.

***Ohio Cancer Research Special Events are presented to raise funds for seed money cancer research and to increase awareness of the importance of early detection in saving lives. See your doctor for regular checkups.***

## Nine Ways to Help Prevent Cancer

- 1) Don't Smoke**
- 2) Maintain A Healthy Weight**
- 3) Get At Least 30 Minutes Of Physical Activity A Day**
- 4) Eat A Healthy Diet With Lots Of Vegetables, Fruits, And Whole Grains And A Limited Amount Of Red Meat**
- 5) Only Drink Alcohol In Moderation**
- 6) Protect Yourself From Too Much Sun**
- 7) Take A Multi-Vitamin With Folate Every Day**
- 8) Protect Yourself And Your Partner From Sexually Transmitted Infections**
- 9) Get Screening Tests**

*Remember, early detection saves lives.*
